

The Trail Starts Here

**GREENWAYS FOUNDATION
MEMBERSHIP BENEFITS**

The Greenways Foundation of Indiana is a statewide, charitable trust providing leadership and advocacy in the growth and use of Indiana's greenways, trails, and waterways.

We are funded entirely by donations, membership fees, special group recognition license plate sales, and fundraising events, meaning each dollar you donate will be put directly toward providing support for Indiana's greenways.

Find a trail. Find yourself.

As a member of the Greenways Foundation you will support the diverse benefits that the trails and waterways of Indiana provide to residents like you each and every day.

Find your fitness.

Whether you are training for the next marathon or walking with a stroller, the greenways are safe and car-free zones that are perfect for family-friendly recreation and wellness.

Find your community.

These paths are a source of local pride and offer Hoosiers like you the opportunity to explore your community while simultaneously preserving green space, promoting community events, and contributing to economic development.

Find your escape.

When life leaves you feeling overwhelmed, take a break from the fast pace of your daily routine to reconnect with nature and yourself on the Indiana greenways.

As a member of the Greenways Foundation, you will play a pivotal role in our mission of growing and enhancing Indiana's greenways so they can improve your quality of life every day.
